WHY: The South Carolina Emergency Management Division will host Commodity Point of Distribution training to strengthen state and local capacity to plan, request, set-up, and provide commodities that meet the needs of citizens in impacted communities.

Training: During the session, attendees will receive classroom instruction on fundamentals and considerations of C-POD planning, establishment, execution, reporting and the demobilization process. Training will end with a practical exercise.

Agenda

- Informational Briefings (Organizational Structure & Activation, Layouts for Pedestrian and Vehicle Thru-Put, Distribution Methods)
- Safety Considerations / Demobilization
- Practical Exercise
