

EMAC Workshop – Overview, The Mission Ready Package & Reimbursement Procedures

WHO:

Local, State, and SCNG representatives with deployable assets

WHAT:

Workshop to develop and/or update Mission Ready Packages and discuss reimbursement procedures

WHERE:

SCEMD (State EOC)
2779 Fish Hatchery Road
West Columbia, SC 29172

WHEN:

August 12, 2026
10:00 am-12:00 pm

REGISTRATION:

To register, please visit:

www.scmdlms.org.

Deadline:

August 11, 2026

WHY: The South Carolina Emergency Management Division is hosting a two-hour workshop for local, state agency, and National Guard representatives to develop new or update existing Mission Ready Packages (MRP) in support of the Emergency Management Assistance Compact (EMAC). MRPs are specific response and recovery resources organized, developed, and trained prior to a disaster. Your MRPs enhance the timeliness of state response and mutual aid.

Training: During the workshop, attendees will be introduced to the EMAC process, methods to expedite deployment, and critical reimbursement milestones associated with post-deployment.

MRP Development: Assistance will be provided to organizations updating existing MRPs or developing new MRPs. Existing and example MRPs will be provided for modification during training.

Agenda

- Informational Briefings (EMAC process, reimbursement, MRPs)
- MRP Updates and Development
- Reimbursement
